

IWAF – 11

11th International Workshop on Agglutinated Foraminifera

April 19–22th, 2023
Kraków, Poland

Second Circular

The Micropress Europe and AGH University of Sciences and Technology cordially invite you to participate in the **11th International Workshop on Agglutinated Foraminifera** held in Kraków Poland on **April 19–22nd, 2023**.

The IWAF-11 is open for anybody interested in agglutinated foraminifers both fossil and modern. The workshop should be of interest to both academic and industrial participants. Following the tradition of the IWAF meetings, it will be specifically open to young researchers and students. We aim to provide a scientifically stimulating and socially enjoyable forum to meet and discuss results related to Agglutinated Foraminifera.

Conference Venue

The Workshop will be held in the offices of Micropress Europe and in the facilities of the AGH University of Science & Technology in the center of Krakow (Mickiewicza Ave. 30). The Main Building of AGH is centrally located within walking distance of

the Old Town and the major tourist hotels near the river and castle. The European Micropalaeontological Reference Centre at Micropress Europe now houses one of the world's largest collections of agglutinated foraminifera, and these will be made accessible for viewing.

Conference schedule

The IWAF-11 will consist of two days of technical sessions, followed by a one-day workshop on the base foraminiferal collections housed in the European Foraminiferal Reference Centre.

19th April

Afternoon-evening: Open house at the Micropress Europe (refreshments will be served). Collections will be available for viewing.

20th April

9.00 Registration

10.00-17.00: oral and poster sessions

Evening: Conference dinner

21st April

10.00-17.00: Oral and Poster sessions. Workshop on the foraminiferal collections housed in the European Foraminiferal Reference Centre.

22st April

Additional optional activities: Walking tour of Krakow, or viewing collections in the European Micropalaeontological Reference Centre

Scientific program and conference materials

English will be the official language of the conference. Participants are invited to present their contributions in oral or poster form connected with the agglutinated foraminifera topic.

Oral presentations

All speakers will be allocated 15 minutes for the presentation + 5 minutes for discussion. Data projector and notebook will be available.

Posters

Size format up to 1 m width and 1.5 m tall. Poster exhibition will be placed nearby the lecture room.

Abstracts of all presentations will be published in Abstract book as *Grzybowski Foundation Special Publication*. We also invite you to send an "extended abstract" of up to two pages length.

After the conference there is a possibility of printing contributions as papers in the journal *Micropaleontology* (indexed by the ISI data base).

Important dates

Jan 30, 2023: deadline for early registration

Jan 30, 2023: deadline abstracts submitting

Jan 30, 2023: deadline for early payment

Feb, 2023: third circular

March 30, 2023: deadline for registration

Instructions for authors of abstracts

Please prepare extended abstracts in English. The page limit is 2 pages including tables or pictures, .doc or .rtf text format, MS Word, 11 point font size, 1,5 line spacing. Before submitting ensure yourself that your tables (.xls) and pictures

(.cdr, .tif, .jpg) in final scale still readable, with respect to font size etc. Avoid unnecessary use of colors and grayscale in your charts. Submit your texts with indicated placement of tables/figures together with separate table and figure files by email to Sławomir Bębenek (sbebenek@agh.edu.pl), *before Jan 1, 2023*. Abstracts received after this deadline may not be accepted with respect to typesetting and printing deadlines. There is no limit to the number of abstracts you may submit.

Example for IWAF-11 abstracts is attached.

Accommodation and board in Kraków.

The participants should book their own accommodation.

We are looking forward to seeing you in Kraków!
